

BaCuLit is a European Project (funded 2011-2012 by Comenius Multilateral Projects) which aims at:

- Enhancing teachers' expertise in content area reading literacy.
- Developing a curriculum that can be used on long terms for in-service training.
- Creating local expertise through a training-of-trainer-model

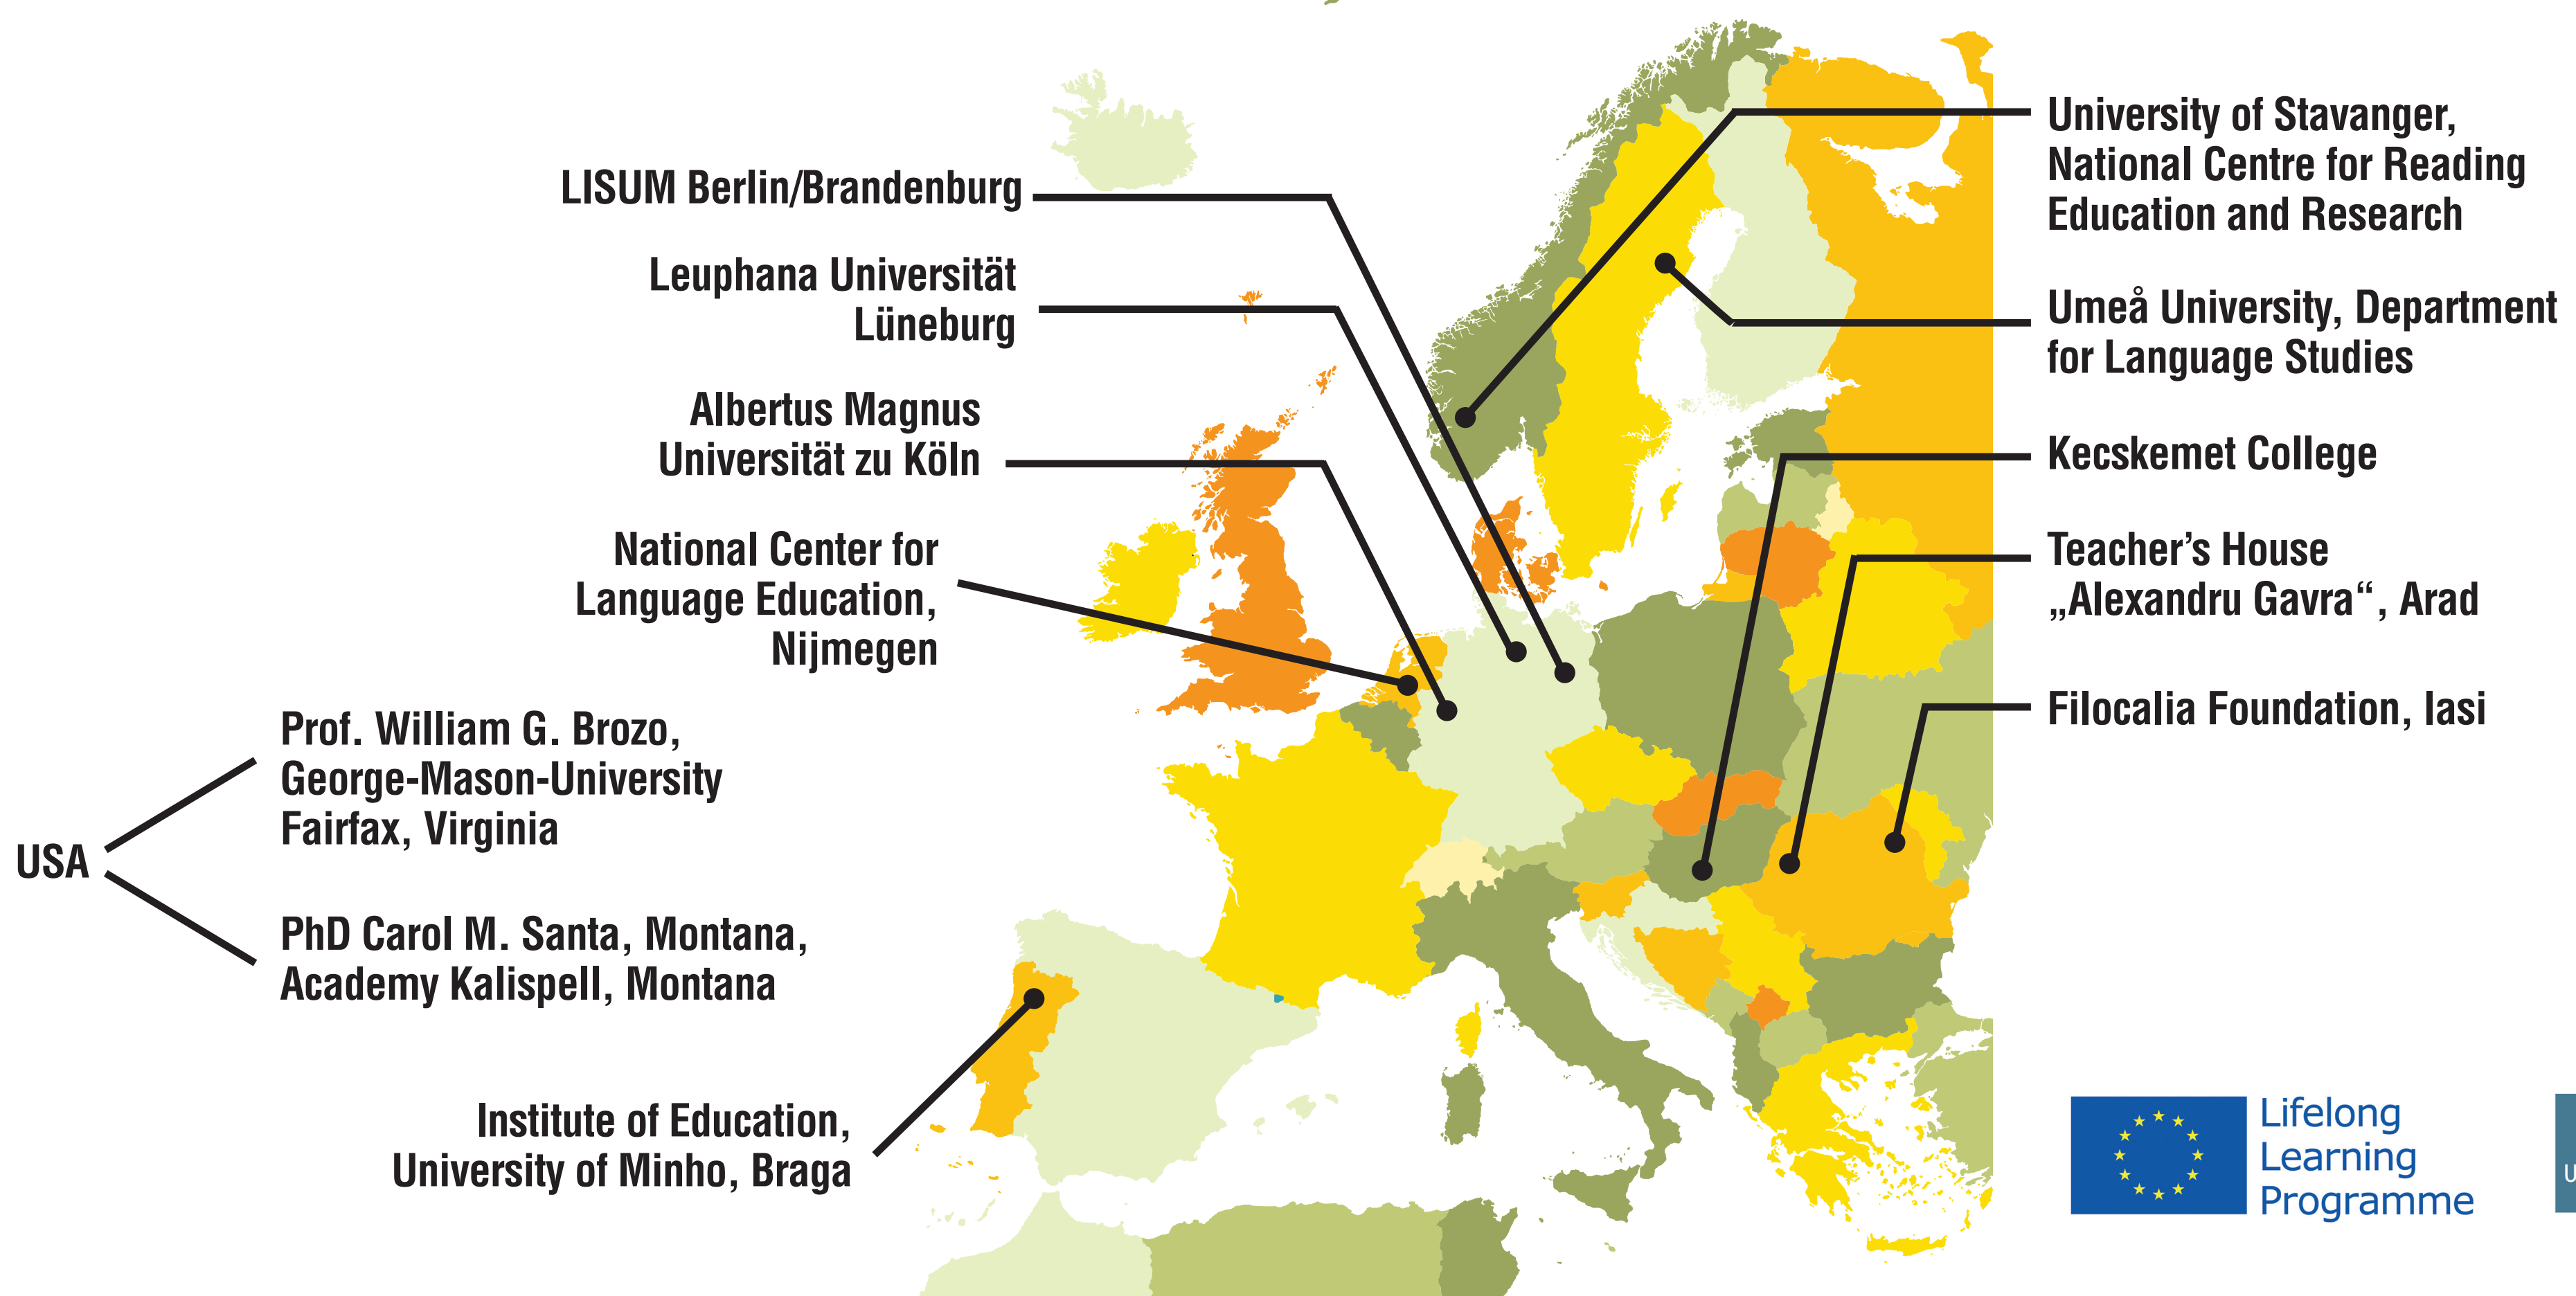

Basic Curriculum

Lesson Planning Framework

The BaCuLit-Consortium (12 partners from 8 countries)
